Hiring Manager

21 July, 2024

I am writing to express my interest in the Associate Consultant at Bain & Company. With a diverse background in Data Science, Software Engineering, and Finance, I am confident in my ability to contribute effectively to your team.

As a Software Engineer at Absa Bank Zambia PLC, I have driven impactful projects that significantly enhanced operational efficiency and generated substantial cost savings:

- **Statement Generator App:** Automated statement generation, increasing efficiency and saving K700,000 in development costs.
- **Car Booking Application:** Designed an app for bank-certified drivers to book vehicles in advance, saving over K2.8 million.

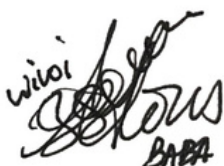

My technical acumen is complemented by my entrepreneurial experience and achievements:

- **Ndetelako (E-commerce Fulfillment):** Granted \$5,000 by the Tony Elumelu Foundation and completed a 4-month business development training program.
- **BongoHive Digital Health Hackathon Finalist:** Part of a team that designed a screening application using a CNN model to detect respiratory diseases from audio recordings.
- **ABSA Data Science Hackathon Winner:** Leveraged advanced machine learning techniques to tackle corporate challenges such as reducing customer churn and detecting credit card fraud.

Throughout my career, I have demonstrated strong problem-solving skills, innovation, and a commitment to excellence. I have swiftly adapted to new roles, overcome technical challenges, and developed advanced technical and project management skills.

I am excited about the opportunity to bring my expertise and passion for innovation to Bain & Company. I am confident that my background and accomplishments align well with your organization's goals. I look forward to the possibility of contributing to your team and discussing how my skills and experiences can benefit Bain & Company.

Thank you for considering my application. I look forward to discussing my candidacy further.
